

Summer Training Schedule

Sunday Swimming

Sessions are held every Sunday at 5.00pm - 6.00pm Tidworth Leisure Centre, Tidworth (For location maps, see end of document). This is a coached session. We split into lanes according to ability/speed. The range of ability is from - just swimming, not able to sustain front crawl for too far to “webbed-feet- swims- like-a-fish”. Shaun, our head coach, caters for all levels and you are never made to feel a fool. Shaun runs a structured programme commencing in early October, concentrating on skills and techniques working through to speed and endurance training as we approach the race season.

On arrival at the leisure centre do not pay at the reception desk, proceed straight ahead to the changing rooms. Please pay the club directly at the end of the session.

Cost is £5.00 for non-members and £4.00 per session (if a member is using the pay as you go option). Members have the benefit of opting to pay quarterly for which the fee is £25.00 for three months.

Monday Evening Running Sessions

The club runs together on a Monday. We are currently meeting at 6.50 pm for 7.00pm start at the Andover Athletics Track car park (near Charlton lakes park (For location maps, see end of document)). A variety of runs based around the streets of Andover. Usually 4 – 6 miles in length, but with some specific sessions thrown in for good measure...intervals, hills, fartlek, cadence sessions etc.

Wednesday Evening Circuit/Flexible session

A mixed programme incorporating training to focus on improving core stability, muscle endurance, strength, cardio vascular endurance and speed and transition preparation. These sessions will be indoors/outdoors weather permitting. The session runs from 7.00pm – 8.00pm and is based at the school gym/grounds, The Mark Way School in Bachelors Barn Road (For location maps, see end of document).

Bring a towel, water and wear sports clothes & trainers. There is currently no charge for these sessions.

Thursday Evening Cycle

Meet outside "Behind the Bike shed" cycle shop, Charlton Village at approx 18.45 in time for 19.00 prompt start. Ride time is light dependent – 20 – 25 miles approx. Please ensure you have good high visibility clothing and front and rear lights.

Saturday Bikes Rides

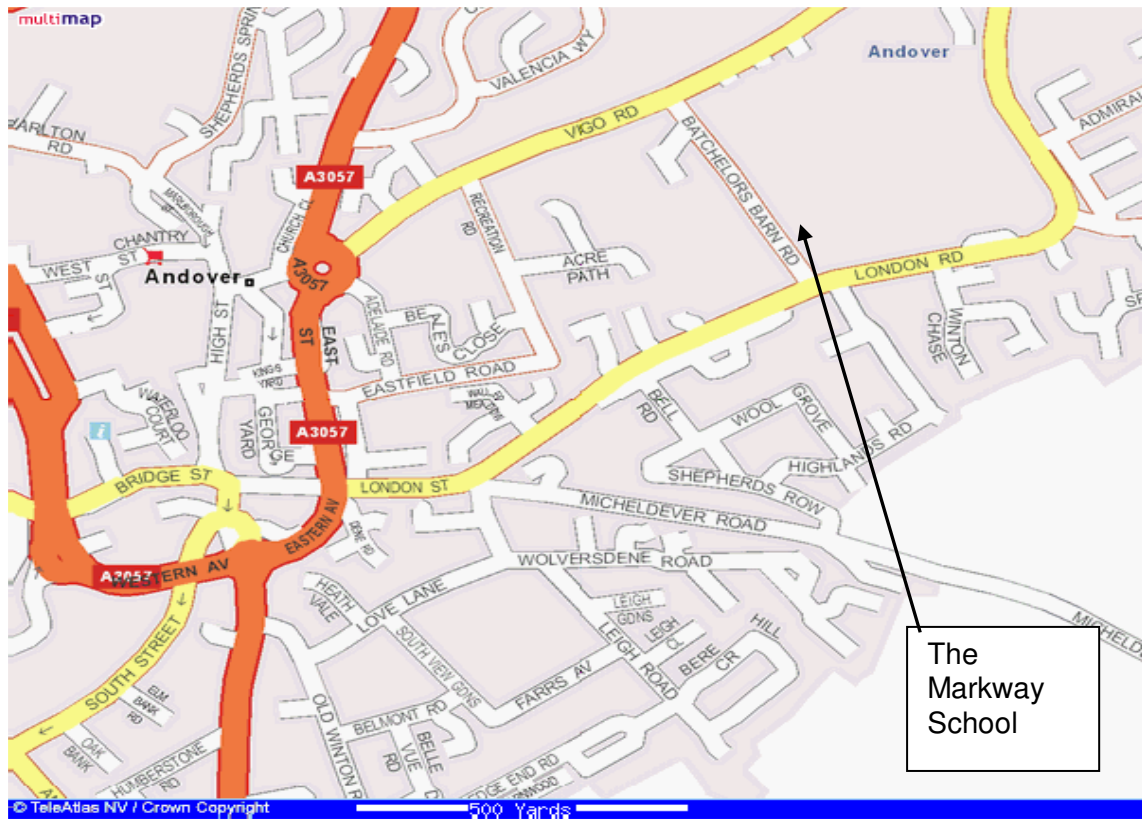

Club members meet for a group ride on a Saturday morning at 9.00am for 9.15 start. The meeting place is outside the shop "Behind the Bike Shed" near the roundabout in Charlton village. It is a variable distance ride usually split into ability groups. The steadier group cover approximately 20 – 25 miles depending on who is there what the weather is like etc.. The faster paced group ride between 30 – 40 miles. A safety helmet is essential. Please also wear appropriate but high visibility clothing and use lights on dull/misty days.

Last Saturday Each Month

The last Saturday in each month is dedicated to increasing the range and distance of the rides. This is to help those with aspirations for middle distance / Ironman distance racing. These rides will be approx 50 miles in length with a café stop if possible, so bring some pennies!

These rides will leave at 9.00am sharp from Behind the Bikeshed.

Markway School

Behind The Bikeshed, Charlton
